ABOUT OUR BENEFICIARIES:

Patriot Cruise and Salute is a non-profit charitable organization, formed to organize free recreational boating events for recuperating veterans and their families. Each year the community comes together to say "Thank You" to these heroes and their families by providing a much-needed mental respite.

The Creekside Veterans Club is a voluntary organization. Our mission is to engage military veterans, cultivate fellowship, create missions and opportunities that support military veterans in need; undertake support for charitable, social, and community events, which honor veterans and military service; and to advocate for legislation that promotes benefits to military veterans and their families.
